International Bird Rescue Research Center is a 501(c)3 nonprofit organization dedicated to helping aquatic birds and waterfowl in need. We depend on volunteers to achieve our mission of giving the best care possible to our patients. Dependability is **extremely** important. We will do everything possible to make your volunteer experience worthwhile and rewarding.

*Please note: Due to insurance liability, we cannot accept volunteers under the age of 18 years. If you are pregnant, on long-term antibiotic or steroid therapy, or have an immuno-suppressive disorder, you may only volunteer in the office, as the clinic environment may cause complications to your health.
